SENIOR HIGH SCHOOL

Our Theme

The present world crisis provides us with an opportune theme, one honoring Thomas Jefferson High School's military units, moulders of the men and women of tomorrow. Because San Antonio's military installations are an integral part of our nation's defense, your 1950 Monticello also proudly salutes the Armed Forces in San Antonio, moulders of the men and women of today. Combining these two was a natural. Our wish to have the boys of the Reserve Officers' Training Corps and the girls of the Girls' Cadet Corps go on supervised tours of San Antonio's fields and posts was so quickly appreciated by the Public Information Offices, and invitations were so speedily issued us that our military theme was soon on its way to completion. Our hearty gratitude is extended to the Commanding Officers and Public Information Officers of The Fourth Army, Fort Sam Houston, Brooke General Hospital, Kelly Air Force Base, Lackland Air Force Base, Brooks Air Force Base, and Randolph Air Force Base for their wholehearted understanding, co-operation, hospitality, and courtesy.

Dedication

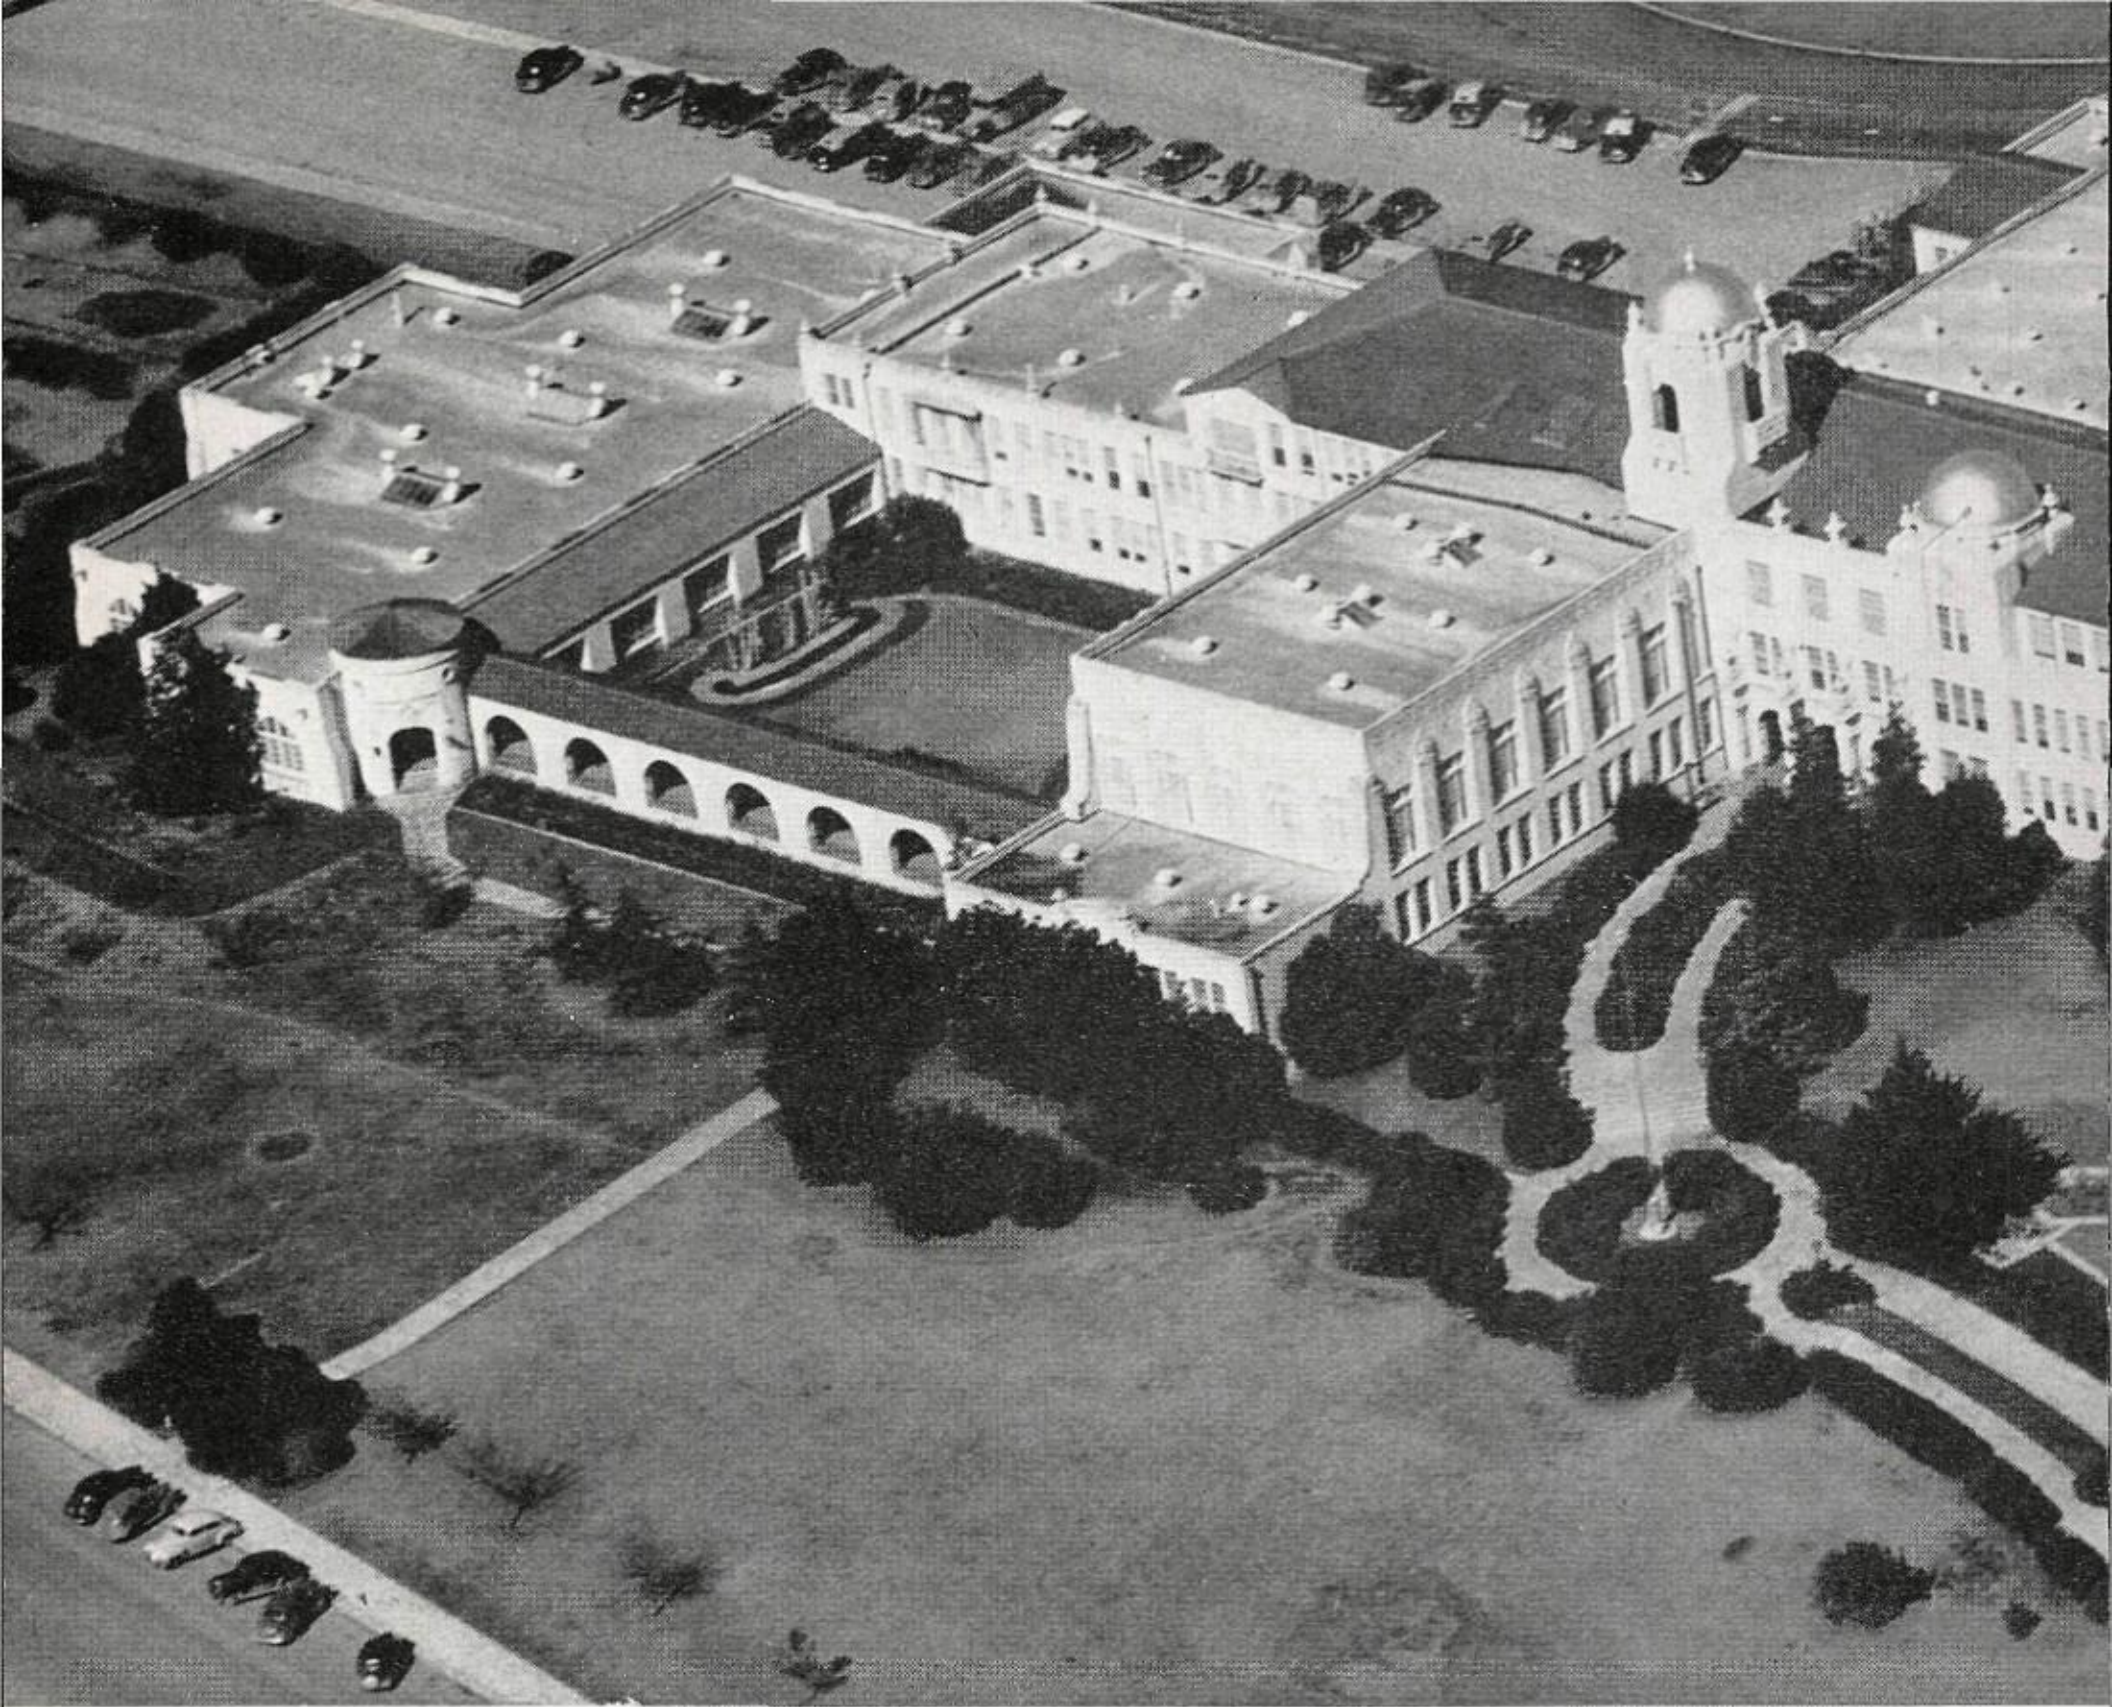

To you, Mr. Rogers, we gratefully dedicate our 1950 edition of the **Monticello**. Through your complete understanding of students' joys and sorrows, your rare sense of humor, your self-sacrificing devotion to our school, your sincere belief in us and your invaluable friendship for us, your belief in fair play, your splendid sense of values, and your exceptional executive ability, you make all of us want to be living examples of what Thomas Jefferson High School means in the enrichment and ennoblement of the young people fortunate enough to be part of this beautiful school, whose destinies you have guided for almost nineteen years. Because of you, many of us have learned to face problems honestly, fearlessly, frankly, to keep faith with our own ideals, to try to be better citizens. You have done so much to make our school one of the most beautiful and most outstanding in our nation. For all these things you have our hearty appreciation and our promise that we will do all in our power to live up to the high ideals we have learned in our own dear Thomas Jefferson High School.

Mr. Thomas B. Portwood
Superintendent
San Antonio Schools

Our dream school, Thomas Jefferson High School, was not at all an accident; it was built on the strength of one man's determination. His vision became a reality, transforming a wilderness into the most beautiful school imaginable. He has continued to strive for Jefferson, giving us every possible chance for advancement. To him we pay sincere tribute for the wonderful part that he has played in the history of Jefferson — our Superintendent of Schools, Mr. Thomas B. Portwood.

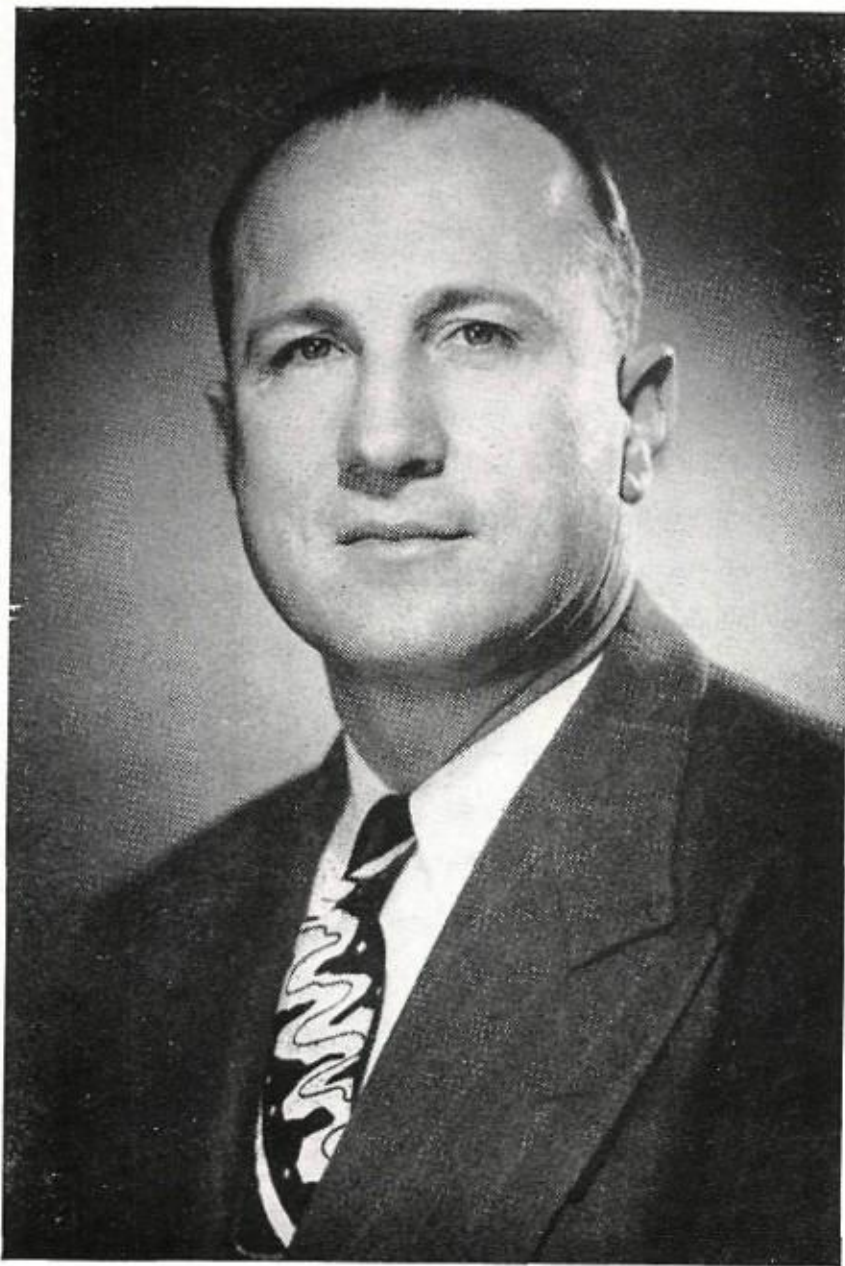

Mr. Oscar E. Miller
Assistant Superintendent
San Antonio High Schools

A wise and capable leader, yet a very human personality, is one who for many years was the well-loved principal of Horace Mann Junior School. There he wisely trained his students to become capable leaders in Thomas Jefferson High School and to win high honors and awards for us. We are deeply indebted to him for this invaluable service. This wonderfully human executive will always be remembered here in Jefferson — Mr. Oscar E. Miller, our Assistant Superintendent.

OUR COMMANDING OFFICER

Mr. T. Guy Rogers
Principal

Mr. Raymond W. Arnold

Vice-Principal

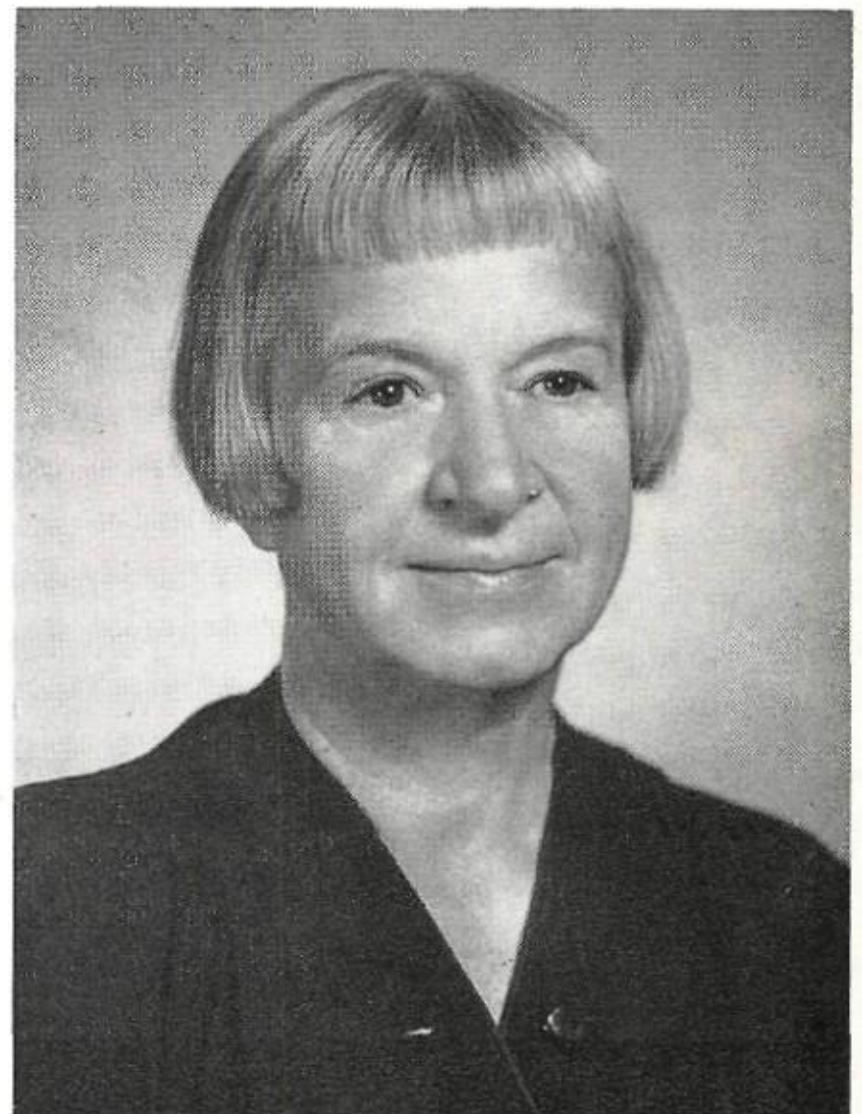

In an important office we find one known as a symbol of understanding, tolerance, kindness. All the joys and sorrows of Jefferson boys find their way sooner or later to his appreciative attention. No one finds difficult a conference with him. He is a living symbol of the democratic principles which we hold dear. In his capable hands we find our seemingly knotty problems not so serious after all. Things we thought impossible soon seem easy. Jefferson is very fortunate in having for its Vice-Principal and Dean of Boys our Mr. Raymond W. Arnold.

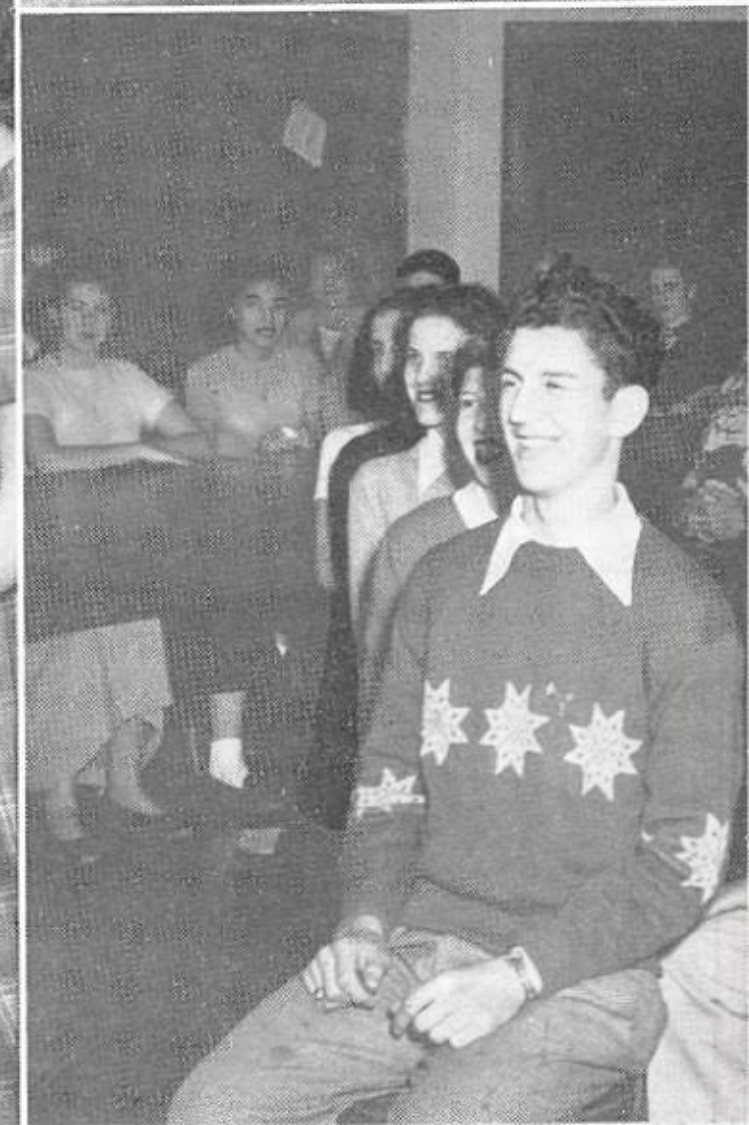

OUR EXECUTIVE OFFICERS

Miss Frances Smith

Dean of Girls

We love her remarkable understanding of our joys and problems, her strong devotion to Jefferson, her sweet friendliness, and innumerable other qualities that make her a wonderful leader. All girls who graduate from Jefferson will remember her with deep affection. Her office assistants will always admire her lightning-like efficiency. Some of Jefferson's finest and strongest have needed and found that little urge to go on that only she can give so quietly and so calmly. We are very fortunate indeed to have Miss Frances Smith as our Dean of Girls.

Upper (left): Very valuable to the school are these fine girls of Mrs. Campbell's Office Practice class. Here Miriam Frances Huggins stops her demonstration of the running of a stencil to admire the beauty of the finished product. **Upper** (center): Completely professional is this lovely sketching scene in Miss Dugosh's art class, the pretty model thoroughly enjoying her own participation. **Upper** (right): In the Student Council's Lost and Found room the important Color Committee meets with Miss Langford to plan procedures. **Lower**

(left): Eager chemistry students watch the complicated experiment on ionization as Mrs. Davis gives a most interesting explanation of the separation of ions. **Lower** (center): Having a wonderful time watching a demonstration sale, Mrs. Petrich's Distributive Education students suddenly see an amusing situation develop. **Lower** (right): These unseen and unsung Stage Crew workers are in reality the force behind the beauty and the perfection of all our stage performances. Their splendid work is truly "behind the scenes."

At long last Jeff knows what all those peculiar noises were in our basement—the completion of a beautiful new Industrial Arts shop. Here we picture the new shop's interesting activities.

Upper:—Mr. Hakala explains how a board should be fed through the bandsaw in cutting an angle.

Middle:—A student demonstrates as Mr. Hakala explains how to apply the brush without leaving brush marks. **Lower:**—Here stu-

dents planing an edge on the jointer learn how to operate the machine safely and efficiently.

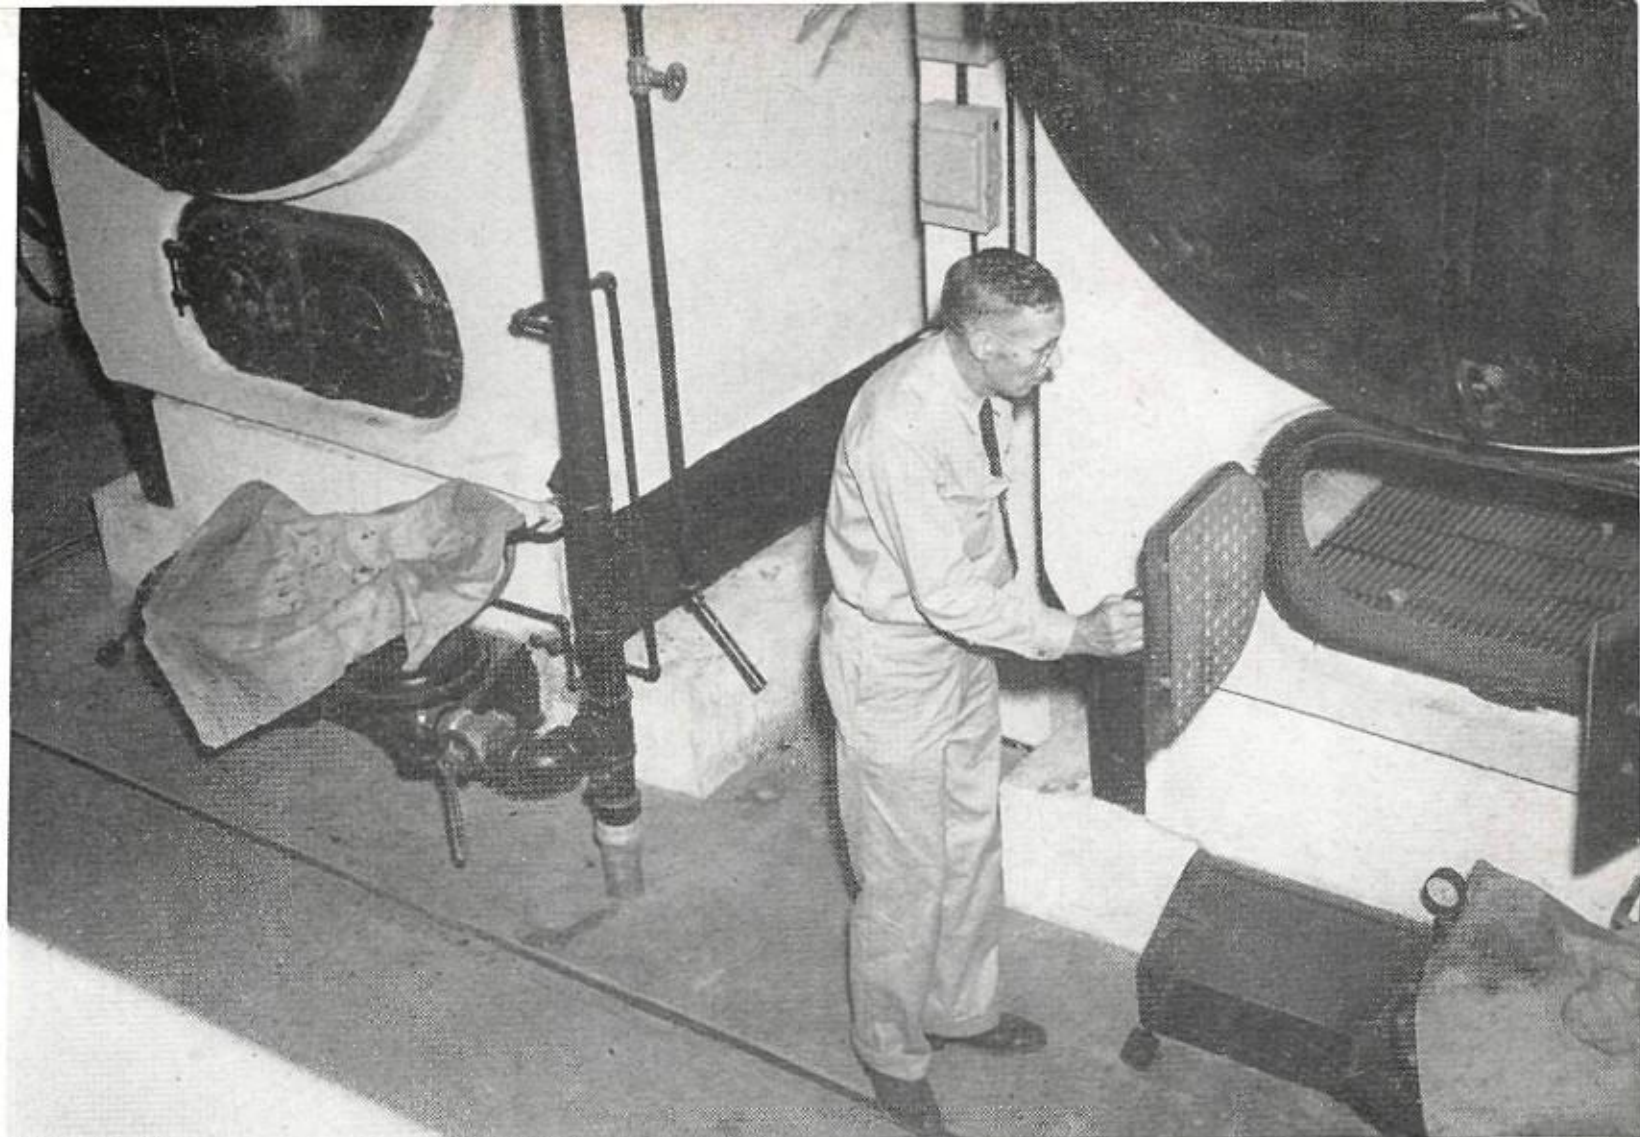

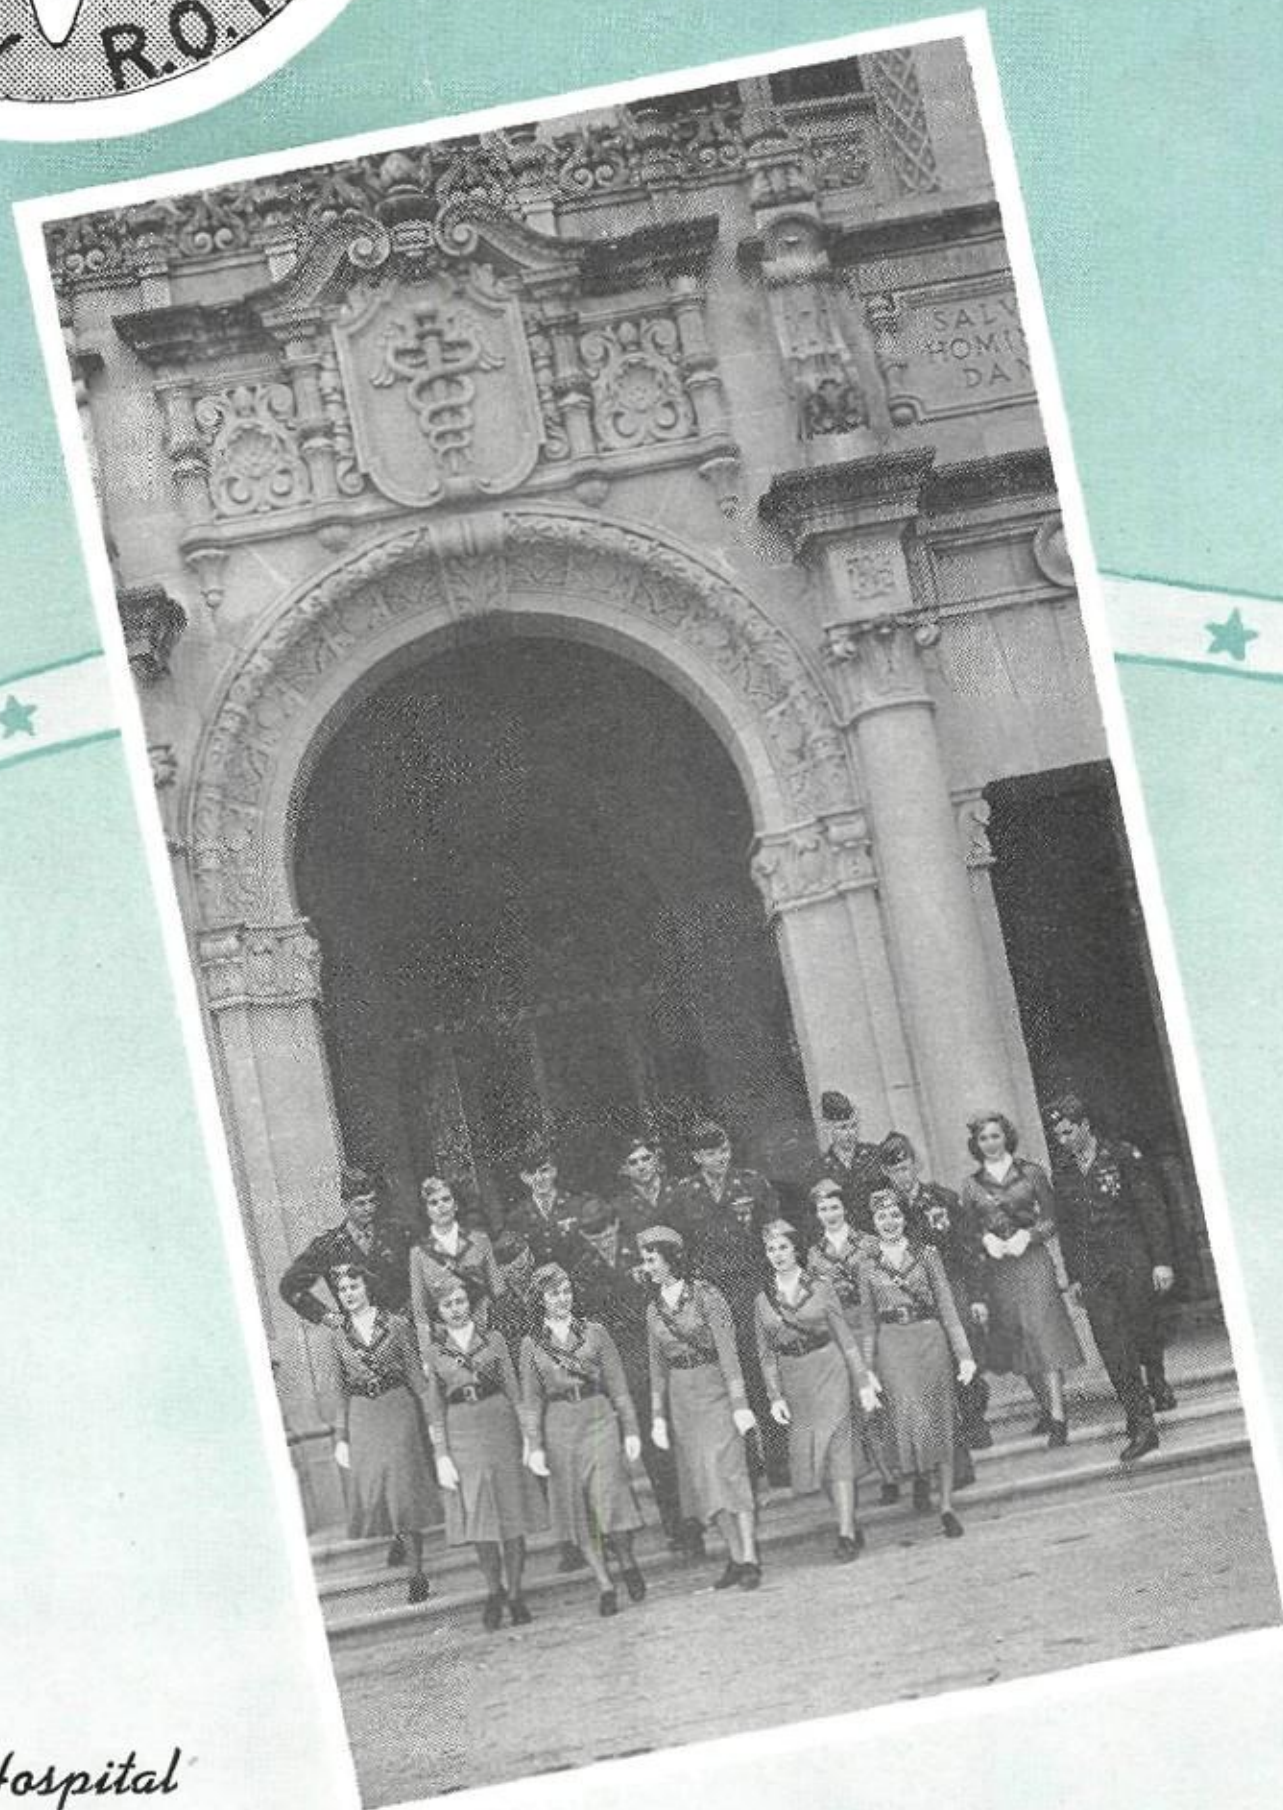

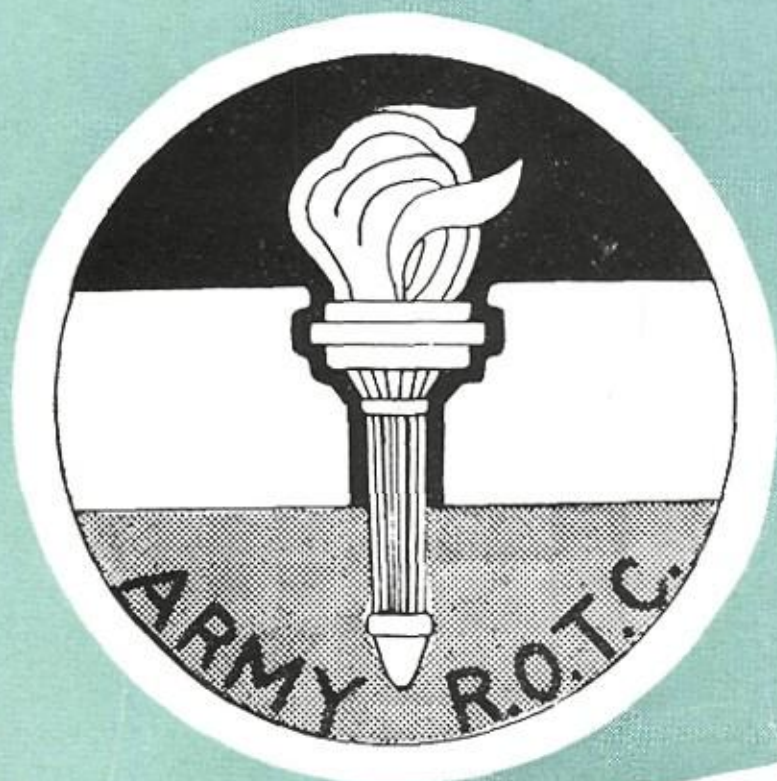

Above:— (Upper) Behind the scenes at "Mustang Time!" Mrs. McDaniel's radio dramatics students give one of their fine programs. **Above:**— (Lower) Furnishing lovely music for many school occasions, Mrs. Pease and her fine boys of the Male Chorus deserve much credit.

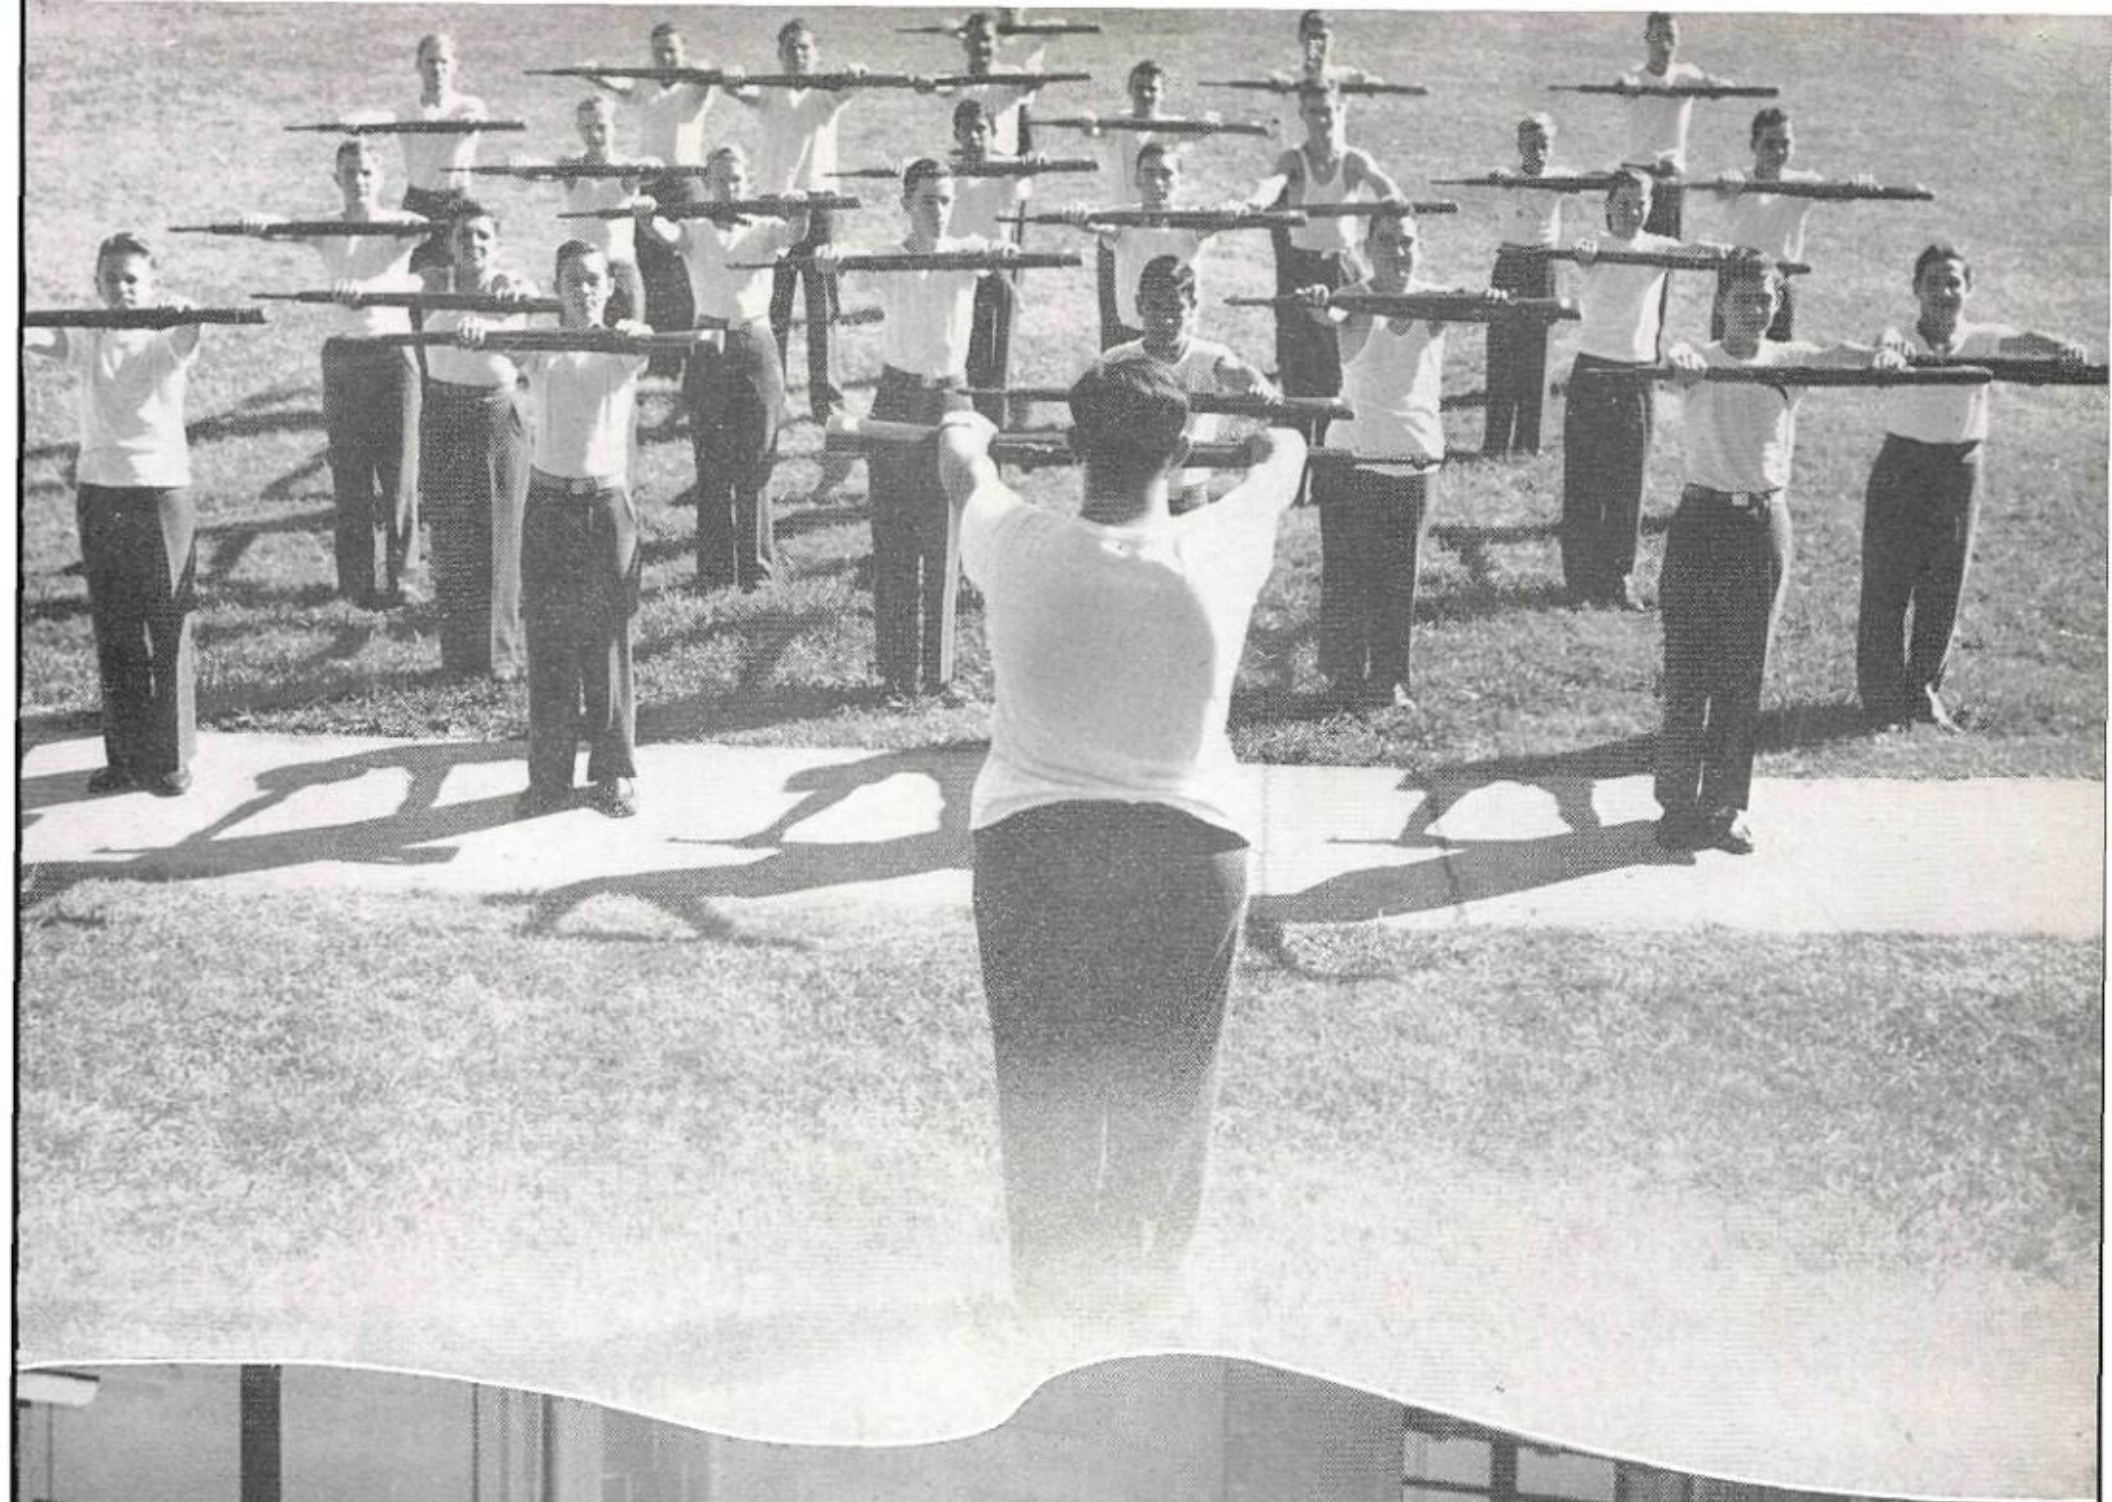

Left:— Many of us who work and play long after school hours will always remember the friendly smile of our night custodian, Mr. Smith, who lives on the campus and is always accompanied on his rounds by Mrs. Smith.

Opposite Page:—Maintenance, necessary anywhere, is doubly important in our lovely school. **Upper:** Mr. Bankhead is proud of Jefferson's huge furnaces. **Middle:** After school our lovely polished floors are made to gleam more brightly under the care of a crew of men proud of their work. **Lower:** Mrs. Woodley and her important crew wait in readiness for the oncoming throng of ravenous students at noon. We are proud of our cafeteria.

Bright September day * * sophomores started
 new life in Jefferson * * * At an assembly * * fall
 of 1949 * * the new sophomores were introduced
 and welcomed to Jefferson by our principal * *
 Mr. T. Guy Rogers * * * Mrs. Lorena H. Davis
 was announced as the sponsor of the Class of
 1952 * * * Leaving the assembly feeling hopeful
 and ambitious * * we soon held a class meeting
 * * where we elected able officers to guide our
 class * * * Plans were made for many activities
 * * * And we exuberant sophomores got into the
 swing of things * * with the real spirit of Jeff
 students * * really knowing and understanding
 that the Sophomore Scholastic Society * * might
 eventually lead to National Honor Society * *
 and other lovely honors * * * Despite ants and
 other irritating insects * * the sophomores en-
 joyed a hilarious picnic * * held here at Jeff * * *
 Having outgrown their uneasiness * * the
 younger members of Jeff's flock * * are now
 enjoying themselves to the fullest * * feeling
 like old Jefferson veterans by now * * * Eagerly
 looking forward to our junior and senior years
 at Jefferson * * we sophs are more hopeful than
 ever that our Class of 1952 will be the best and

The Colonel gives the command. Cadets stream down to the parade grounds. A few tense seconds pass—all activity and bustle. The command "Pass in Review" is given. The band begins to play, its shining instruments reflecting the sunlight. Each cadet steps off with the left foot and brings his rifle to right shoulder arms as officers smartly give commands. Sunlight glitters on highly polished brass. Snowy white gloves flash back and forth. Spotless uniforms draw the eye, and now the Thomas Jefferson High School Reserve Officers' Training Corps is passing in review. They march in perfect unison, each company's prized guidon

It is not anyone alone. Only with the co-operation of every single man, only with the earnest desire to learn, only with the loyalty and constant dependability that we find in the heart of every cadet from the youngest recruit to the highest-ranking officer would the continued high rating of the R.O.T.C. be possible. Also it is a school for better citizenship. It helps to provide young citizens with valuable information as to American traditions and ideals. Mind poise, body poise, discipline, courtesy, clear thinking, good habits, ability to organize, and respect for authority — all these can easily be acquired by fine boys through R.O.T.C. training. The Girls' Cadet Corps, sponsored by Miss Ona Marschall, was founded in 1933 by Miss Mattie Sharp Brewer and was then known as the Sponsors' Club. Membership is open to girls with twenty-five credits, a "B" average, a good attendance record, good posture, and military aptitude. Project is to plant shrubs on the R.O.T.C. drill field. Purpose is to set examples of good character, scholarship, dependability, and friendliness, exemplified by our Christmas party for colored orphans. The year was highlighted by supervised visits to Brooks Air Force Base, Fort Sam Houston, Randolph Air Force

Base, Lackland Air Force Base, and Kelly Air Force Base, all made possible by our being one of the two military units honored by the 1950 Monticello. The Rifle Team, seven girls chosen to compete against other schools, attended church as a unit. Service included two trips to games in Corpus Christi and Dallas. Social activities featured the Military Ball, Western dance, and the mother-daughter tea on St. Valentine's day. Motto is: "The value of service depends not upon the glory of the position but upon the spirit with which service is rendered." Cadet Corps girls live up to this motto.

"Meet Me in St. Louis"

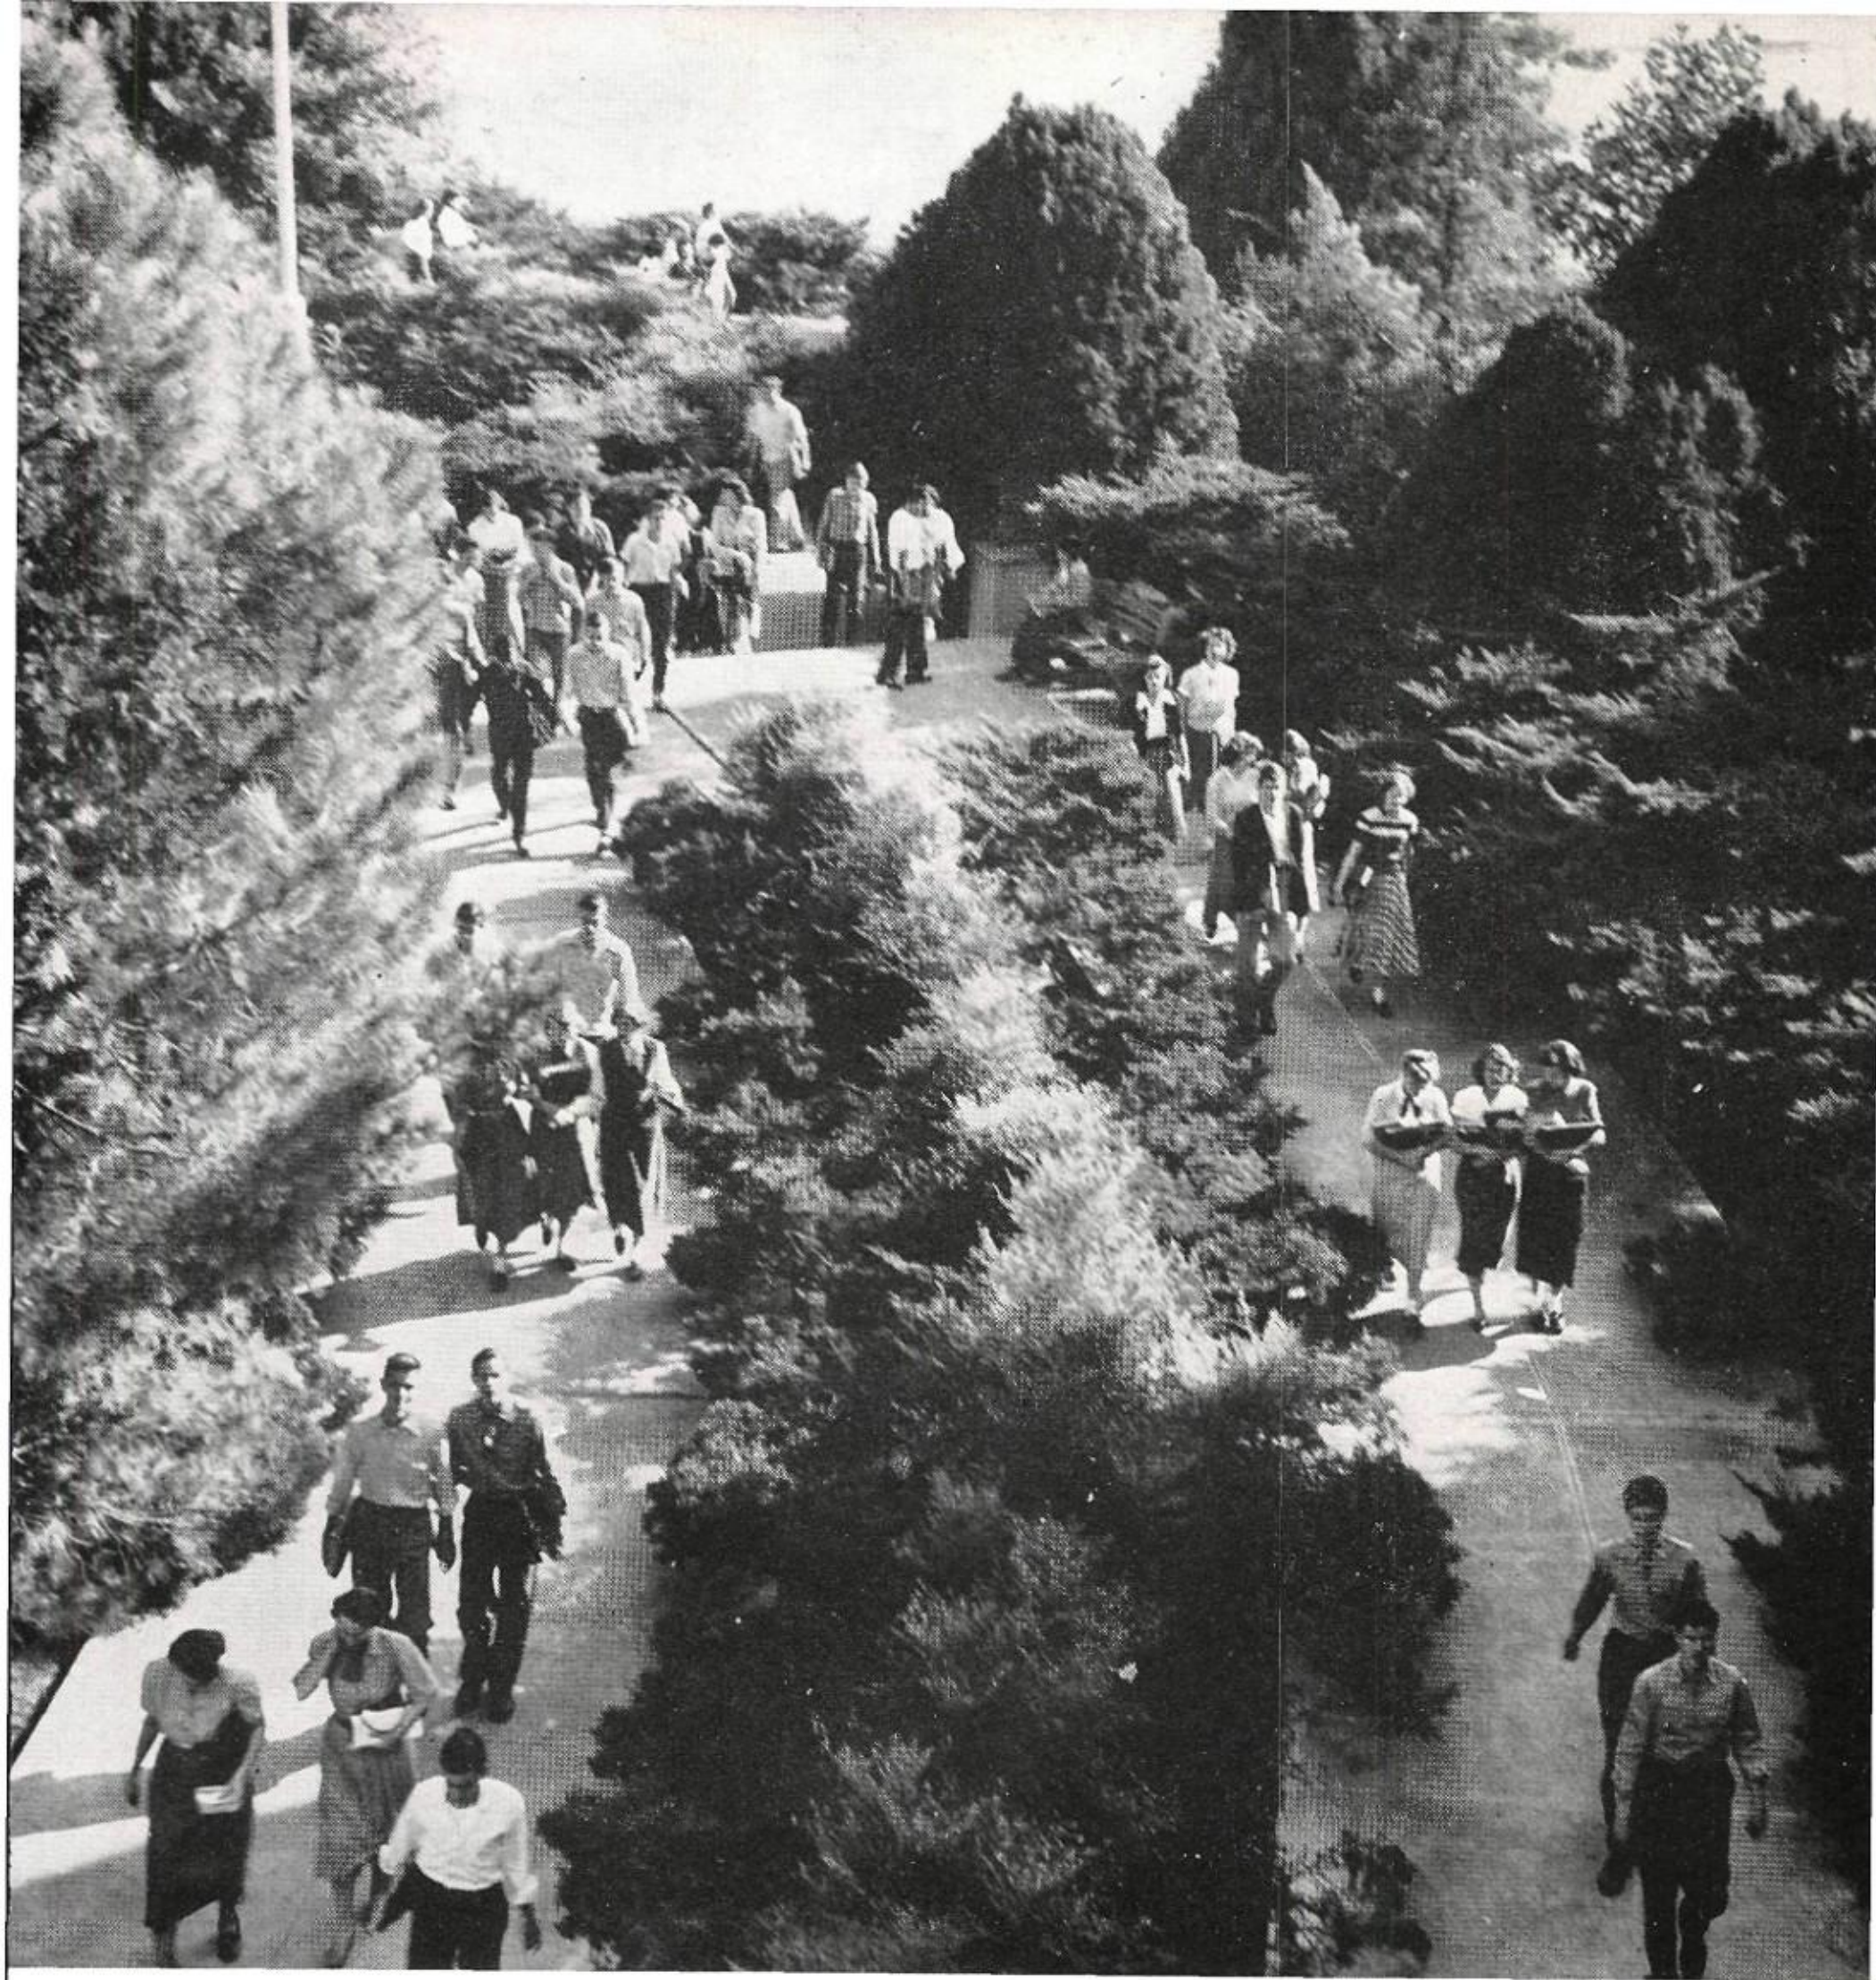

Above:— (Upper) Our school float, interpreting Alexander's Ragtime Band, drifts lazily down the San Antonio River in the Fiesta Pageant. (Lower) Our nation's future brain trust members are initiated into one of the finest organizations at Jefferson, the National Honor Society. **Opposite Page:**—The side-splitting senior frolic, "Meet Me in St. Louis," with George Lewis Risien and Janie Voltin as Father and Mother, was a great success. (Upper) Tootie (Betty Sue Kipp) — "The Fair's started. The stars are outlining the Colonnade of States." (Center) Fred (Joe B. Lloyd)—"You know I wouldn't purposely do anything to offend you, and if I have done so, I apologize." (Lower) Mr. Dodge (Robert Kemper Zander) — "So glad we cleared it all up. Can't tell you how relieved I am." Seniors are to be congratulated on a very fine performance.

Parade of Spring Events

Opposite Page: — (Upper) Hungry Lasso trainees gather around the hot dog booth on Chuck Wagon day to appease their gnawing appetites as Lasso mothers in charge serve their children. (Center) To these happy Lassos, posing with Gene Autry presents no problems; even the famous horses seem to enjoy our lovely cowgirls. (Lower) Olmos Park is the gay scene of an R.O.T.C. activity, a picnic in true Western style.

Here we are with borrowed coats, ties, and sweaters, awaiting our turn to smile for our Annual picture. State Champions of 1949-'50

September 8 — In a stunning 27-6 upset Austin's Maroons downed the fighting Mustangs in the season opener. Quinn scored the only Jeff tally. Adding to the Mustangs' misery, pounding Williams, backfield letterman, received an injury which put him out of play for the season. **September 16** — Powered by the running of Quinn and Pantuso, the Mustangs made a stirring comeback by defeating the Temple Wildcats 13-12 on their own field. Raybourn made the deciding conversion as Jeff started down victory road. **September 23** — Jeff's twin jets, Pantuso and Meeks, proved too much for the previously unscored-on Tivy Antlers of Kerrville, 20-6. Pantuso scored on a long 62-yard sprint, while Meeks scored on runs of 58 and 80 yards. **September 30** — Scoring their third consecutive upset over a previously unbeaten team, the victory-minded Mustangs lowered the boom on the Corpus Buccaneers in Corpus, 14-0. The Ponies tallied both times via the airplanes, one pass from Chambers to Raybourn, the other from Chambers to Thompson. Raybourn made both conversions and barely missed a field goal attempt. Despite the joy of winning, the Mustangs' title hopes were somewhat dampened by two serious injuries; Meeks received a badly sprained ankle, and Makar suffered a broken leg, which kept him out for the season. **October 14** — With their tremendous offensive powerhouse at full speed, the Mustangs rolled up their first City Conference win with an easy 45-0 victory over the Lanier Voks. After a 13-0 margin in the first five minutes of play, the coach flooded the field with all substitutes available. **October 22** — Setting a new League rushing record, the powerful Ponies ran over the Harlandale Indians 40-6 in their second straight league win. Meeks scored three touchdowns, Pantuso two, and Quinn one, as the speedy Mustangs lived up to their pre-season praise. **October 27** — Led by jet-propelled Meeks, who accounted for four tallies and 300 yards, the Mustangs won their third straight conference victory by downing the Burbank Bulldogs, 48-0, at Alamo Stadium. Besides Meeks's ace

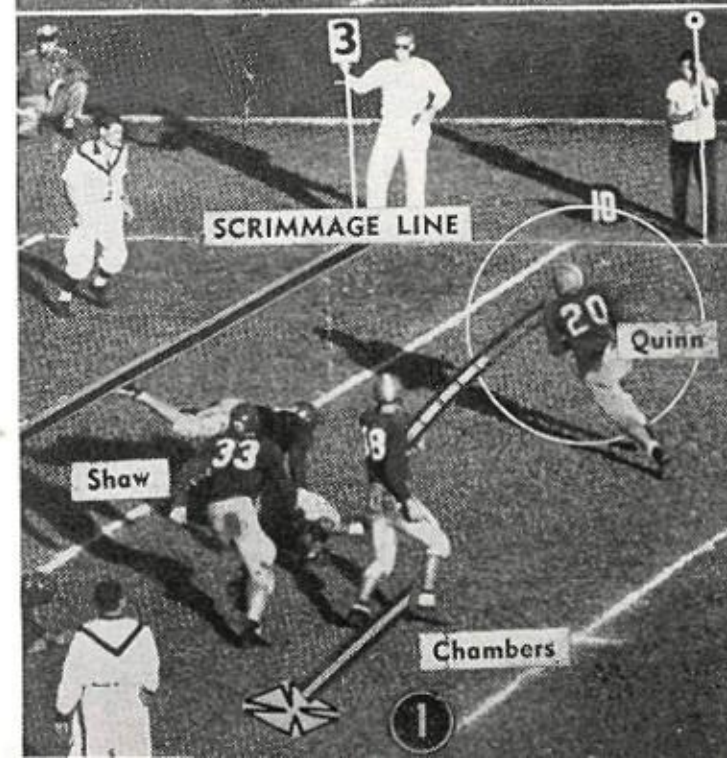

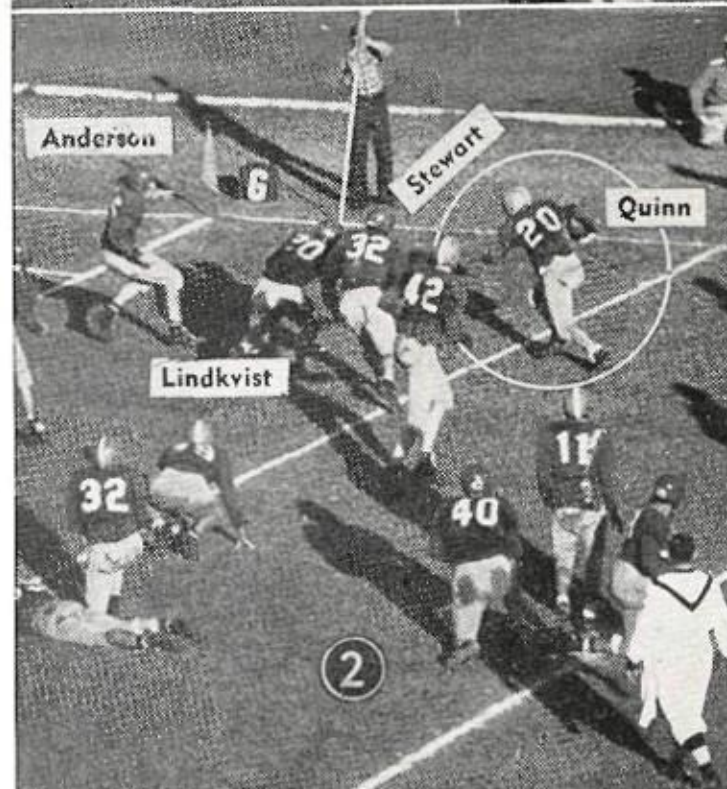

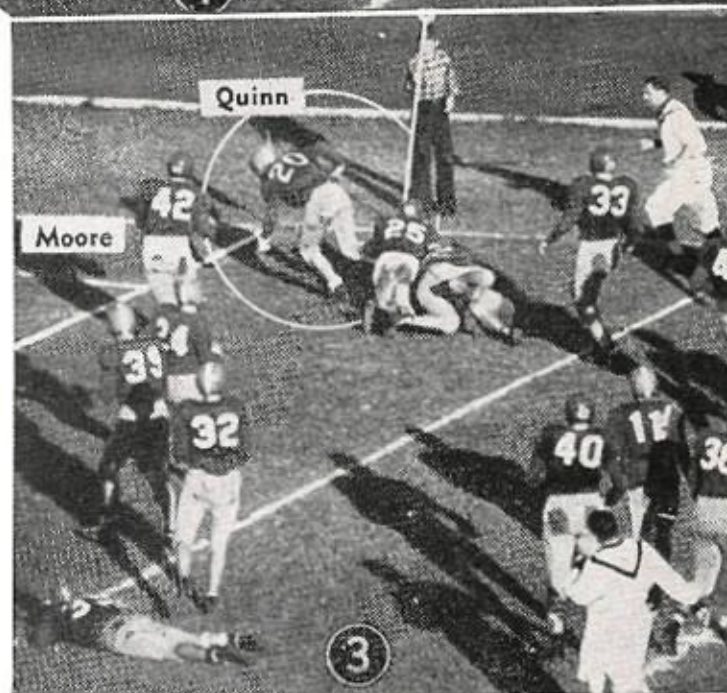

It Looked From the Air

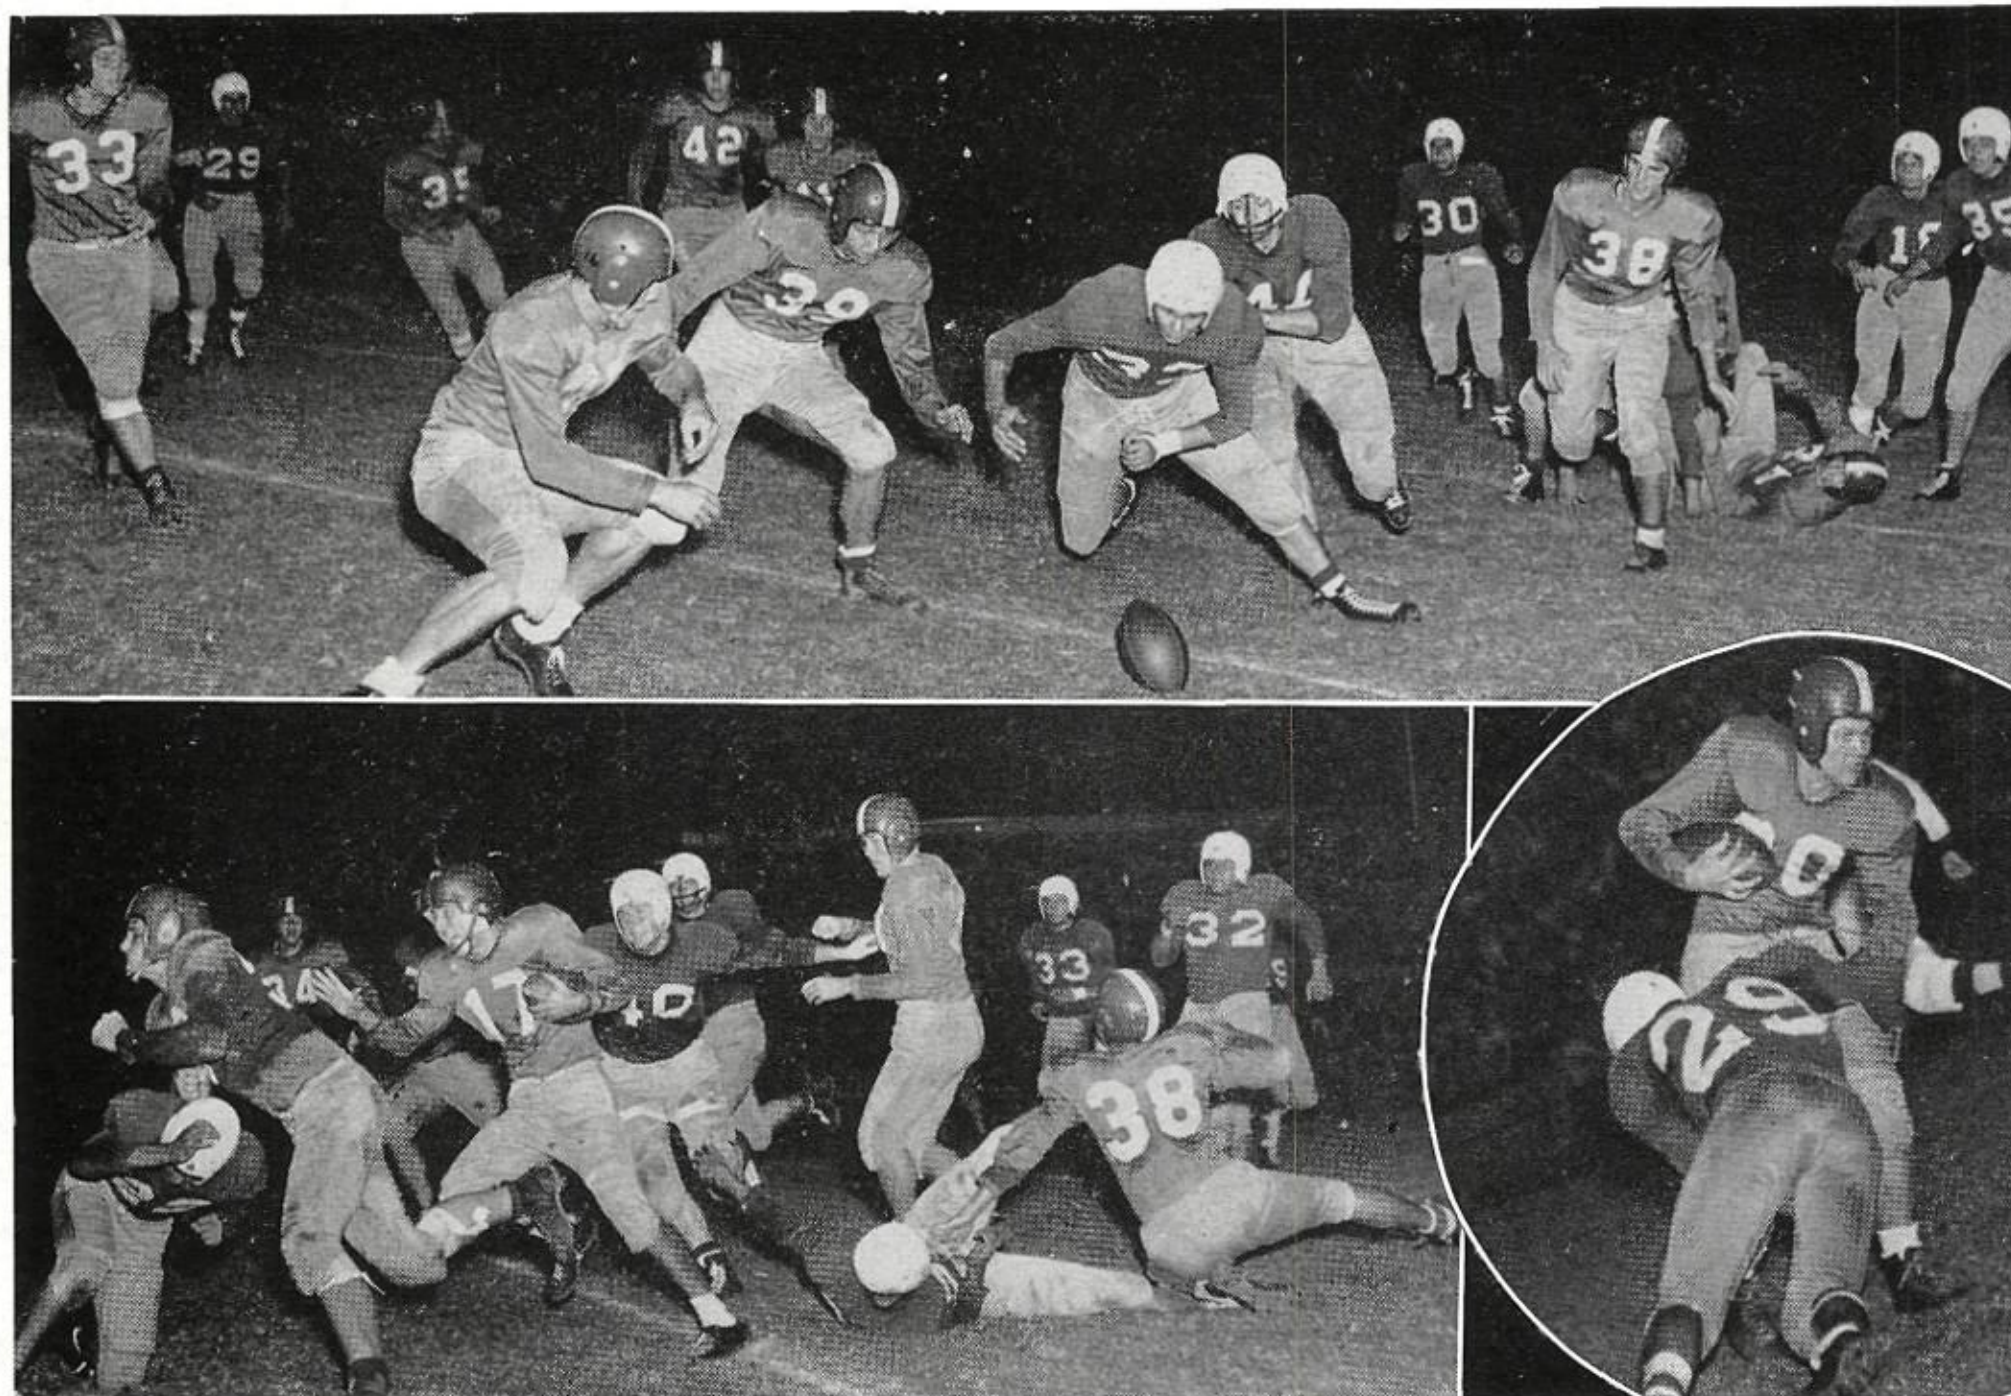

Viewed from the air, here is how one touchdown looked in the Jeff-Brackenridge game (Note: Please read from bottom up.) (1) Jeff's Quinn (20) took a delayed lateral from Chambers on the 15-yard line, (2) skirted around right end, (3) ran into heavy opposition, (4) eluded Brackenridge's determined players, and (5) ploughed over for a touchdown. No fewer than four of Brackenridge's Beef Trust piled on Quinn, but his determination carried him and his would be tacklers across for six more points for Jefferson.

running, Raybourn, Donzis, and Pryor each accounted for one tally. Pryor recovered a Burbank fumble behind the double stripe. **November 3**—Setting a new City Conference scoring record, the power-laden Ponies stomped the Alamo Heights Mules, 51-0. Meeks scored first on a 33-yard gallop in the first quarter. After recovering a Heights fumble, the Mustangs tallied again on a breath-taking 82-yard sprint by faithful Meeks. Jeff's next touchdown came on a 41-yard pass play from Chambers to Barksdale. Meeks scored again in the second quarter on a 27-yard run, leaving a 26-0 half-time score. Quinn plunged 41 yards early in the third period for the fifth Mustang tally. A 71-yard punt return by Raybourn was good for another score, and shortly afterwards Raybourn passed to Jones for another six points. A 53-yard pass from Raybourn to Buenz accounted for the eighth and final Mustang score as the Jeffites rolled over their fourth straight conference opponent. **November 11**—The Mustangs proved their ability to come through in the clutches and marched within one game of their second consecutive city championship by throttling the upset-minded Tech Buffaloes, 20-13, before a record crowd at Alamo Stadium. Meeks picked up 169 yards in 19 tries including a brilliant 80-yard touchdown scamper. Pantuso scored the first Jeff touchdown, driving over from the Tech 11-yard line, climaxing an 80-yard drive. Five minutes later a bullet-like pass from Chambers to Raybourn gave Jeff another tally and Raybourn's second consecutive conversion gave Jeff a 14-0 margin. Tech came back in seven plays to make it 14-7 as Valdez scored. In the third period, Valdez recovered a Mustang fumble in the end zone and the Buffs stood within one point of the Ponies. On the following kickoff, however, Meeks took the ball on the 20 and raced 80 yards through the entire Tech team to ice the game. **November 24**—Coach Jewell Wallace's Mustangs took their second straight City Con-

ference football championship and satisfied an old rivalry by defeating the Brackenridge Eagles, 26-14. Chambers's 36-yard pass to Pantuso, who raced to the Eagles' 10-yard line set up the first Mustang score. Meeks raced over from the one. Early in the second quarter, a pass from Stewart to Pearson put Brackenridge back in the running, and Stewart's successful conversion gave the Eagles a 7-6 lead. A pass from Chambers to Barksdale put the ball on the Eagle 6. After Quinn plowed to the one, Chambers scored on a quarterback sneak. Quinn scored the third Pony touchdown in the fourth quarter on an eight-yard gallop. Anderson's pass to Schero gave the Eagles their last score. Just when Brackenridge's passing attack began to click, Meeks intercepted and raced 55 yards to clinch the Turkey Day affair. **December 3** — San Jacinto Bears from Houston invaded Alamo Stadium and after a muddy, sloppy game, the Mustangs splashed through to a 7-6 victory. Jeff's lone tally came midway in the first quarter, on a 45-yard sprint by Meeks. Raybourn then split the uprights with the point that sent the Mustangs to the state finals in Dallas. A 16-yard run by Johnson proved good for the Bears' only score. **December 10** — The spirited Mustangs pounded over a herd of Sunset Bisons 31-13 to bring Jeff its first State Championship. pass proved good to give the Bisons an early 6-0 lead. But a Chambers-to-Raybourn pass plus a Raybourn extra point gave Jeff a 7-6 lead at the half. After the half time the persistent Ponies could not be stopped. On Jeff's first play from the scrimmage in the third quarter Chambers passed to Raybourn for another six points. Later in the same period, Meeks scored on a brilliant 43-yard gallop. A 40-yard pass from Vasquez to Jordan set up Sunset's final score. Then Raybourn took another pass and raced 25 yards through a clan of Bisons for the fourth Jeff tally. Quinn scored the final Jeff touchdown on a 14-yard center plunge, and the mighty Mustangs, who outplayed the Bisons all the way, became State City Conference Champs for 1949.

Another interesting play! (Note: Please read from upper right across to left.) January 6: — The Mustangs took the City opener with a score of 40-22 vs. Harlandale. **January 9:** — In a close game with Alamo Heights, Jeff won by the close score of 35-34. **January 13:** — Taking their third straight conference victory, the Mustangs remained atop the league standings by outscoring the Tech Buffs, 46-30. Flinders was the high point man with eighteen points, and Alexander with ten. **January 16:** — The powerful Mustangs crushed South San 47-31. **January 20:** — The Mustangs took the Lanier Voks, 37-34, in a close game. The Voks battled to the finish, but the Ponies withstood a late rally to come out on top.

BASKETBALL TEAM — **Front Row:** — Jose Vidal; Douglas Allen Bruchmiller; Lewis Caballero; Alfred Talerico; Ernest Oosterveen. **Second Row:** — Jack Lain; Richard Mugg; Tommy Moseley; Charles Rodgers; Nelson Carl Alexander; Barry Scott; Ray Smith. **Third Row:** — Max Gardner; Jack Gesler Mathews; Art Flinders; Joe Morrison; Wayne Thomas; Jackie Evans.

January 23: — Playing top-flight basketball, the Mustangs smothered the Edison Golden Bears, 50-37. **January 26:** — Hamilton's fighting five chopped off a hustling Burbank group, 38-35. Moseley led the Mustang scorers with Talerico close behind. Although they were trailing 20-19 at halftime, the Stallions came from behind to wrap up another tilt. **January 31:** — Dropping a thriller to their Southside opponents, the Mustangs fell before the Brackenridge Eagles, 43-38. It was the first Jeff Conference loss, and while it somewhat dampened their title hopes, the fighting Jeffites maintained a conference lead. **February 2:** — The Mustangs crushed a fighting Edison five, 58-35, to bounce back into the winning column. Paced by the scoring of Mathews and Alexander, the Ponies played the majority of the tilt with their first string. **February 7:** — Moseley's desperate one-handed toss in the 2nd overtime period clinched a tight thriller for the Mustangs, 48-47, over the Alamo Heights Mules. At one time, the Mules stood within four seconds of victory and of slapping the conference race into a four-way tie, but Moseley and Tolar came through to save the day. **February 10:** — As a most successful effort to maintain their one-game conference lead, the Mustangs kicked a herd of Tech Buffaloes 52-24. The Mustangs' superb background control left the Jeff five within short reach of the conference title, as Hamilton's five held complete control of the game. **February 17:** — The fighting Mustangs dribbled their way inches closer to the title by overcoming a band of Harlandale Indians, 48-40. The win was the tenth victory in eleven conference starts for the championship-minded Ponies. Alexander boosted his already superb scoring record 19 points higher. **February 21:** — Fighting until the very last, the Mustangs lost to the Lanier Voks, 38-50. Mathews was the high point man, and Alexander was next. **February 24:** — The Red and Blue lost in a dazzling upset to the Burbank Bulldogs, 40-46: Alexander was high man, and Mathews was next. **February 28:** — Displaying poise and skill, the mighty Mustangs defeated Brackenridge, 44-39, throwing the City Conference race into a three-way tie. **March 3:** — The always fighting Mustangs kayoed Lanier, 39-38, in the final round of the San Antonio City Conference play-off. Jefferson as "champs" and Lanier as runner-up were the two to represent the city in the State Meet. **March 10:** — The forever-fighting Mustangs dropped a heart-breaking game to Adamson of Dallas in the opening game of the City Conference tournament to end the season with a wonderful record.

At the Heart's Delight Tennis Tournament held at Falfurrias, the Jefferson net team emerged with honors. Johnny Hernandez took the boys' singles crown when he beat Carl Pickett of Victoria, 6-2, 6-2, 6-0, adding another victory for both himself and Jefferson. Jeff's determined netters, Ronald Dave Wolff and Dale Everett Miller, battled all the way to the finals in the boys' doubles only to lose the title match by a score of 6-0, 6-3, 6-3 to Melvin O'Mealy and Charles Gordon of Pharr-San Juan-Alamo. All three winners are juniors, thereby guaranteeing tennis honors for Jefferson next year. **Opposite Page:** — (Upper) Learning to defend themselves under any conditions, young boxers, trained by Mr. Williams, stop to watch two teammates display their boxing tactics. (Center) Very important in training young muscles to co-ordinate properly is the fine calisthenics training under Mr. Hamilton. THE
Beautiful Chrysler

ONCE again Chrysler brings you greater beauty . . . more advanced engineering. Chrysler in 1950 has a lower, longer look . . . a lovelier look with new, sweeping lines. And within this streamlined beauty is true motoring comfort with chair high seats and plenty of room—up, down and sideways. In 1950, Chrysler's engineering is out front again, too, with completely waterproof ignition, the only genuine safety-rim wheel, foolproof Prestomatic Fluid Drive . . . and a host of other important features. See Chrysler—the finest for '50—before you buy.

Commencement!

Significant, isn't it, that this important milestone, which crowns years of effort, really means to begin again!

This bank — established in 1854 — knows about "commencements". Through lean years and fat, through four wars and the lusty development which followed each conflict, we have actively participated in the surging growth which transformed the raw acres of South Texas into a modern agricultural and industrial empire. And now — NEW frontiers loom in the scientists' test tubes!

Let's begin this "new world" together. You'll like banking here. And we'll like having you.

Our Guarantee to You

... SATISFACTION or Your Money Back

You can't lose at Sears.

In the first place, all Sears merchandise is *first quality*. It is made to the rigid specification of our own engineers, metallurgists, chemists, designers, stylists and long-experienced merchandising specialists. Sears goods are triple-tested . . . in our own great modern *Laboratory*—where merchandise must prove its strength or confess its weakness—in *Factories*, where our specifications must be met, and in the *Field*, under actual "in-use" conditions.

You would think that all this would be enough—but it doesn't satisfy Sears. Sears merchandise is designed by human brains and made by human hands. Nothing human is infallible. So, just on the long chance that some-

thing might slip through, we say to you in all sincerity and good faith: "If anything doesn't make good — SEARS WILL!"

It is this pledge that has won the confidence of America, and held it through 62 years of historic selling. It is this pledge that sends millions of Americans back to Sears again and again every year — they know they are getting **FIRST QUALITY** for perhaps no more than they might have to pay for "seconds" and that Sears will cheerfully and promptly refund their money, if they don't get complete satisfaction.

And that's exactly what we mean when we sign our advertising with —

Hiya Seniors:

Congratulations on your graduation.

It was hard work and we know it.

We're working hard, too, designing special arrangements and corsages for your dances and parties at prices that your Treasury Department (mom and pop) will like to pay. Flowers add the color and gaiety (and sentiment) that mean so much.

Well
Hey Fellows!

See us first for special corsages for that best girl that'll put you over the top with her.

Think of
Cauthorn's
and you think
of the best.

Congratulations Graduates

The Monticello's Appreciation *of Ted Hagen*

The MONTICELLO'S deepest gratitude goes to many, many, individuals. Only through the remarkable help of all with whom we have been associated in the production of your MONTICELLO could we, the members of the 1950 Staff, have succeeded in creating the book that you will love and cherish forever.

To all of our Jefferson student friends we say that nowhere could students be found who are any more appreciated by their yearbook staff than you are appreciated by us. All that we ask you to do to help us is done whole-heartedly. For this, fellow students, we are deeply grateful.

To our faculty friends and our school executives go our heartfelt thanks for all the consideration and the courtesies that you have shown us. Only through your friendly assistance could we have reached the students when it was necessary that we contact them quickly for their own benefit.

To our advertising friends who have so generously joined us in the financial responsibility of publishing another outstanding annual, we extend our sincerest thanks. We trust that all of Jefferson will show their gratitude by patronizing your friendly stores and being friends of yours.

To our firms who have worked with us in the production of our 1950 MONTICELLO, we are very grateful. We could never have published our book so happily without your valuable suggestions and friendly advice. Your deep personal interest has made our work very enjoyable indeed.
